Spring! A time of hope and renewal – and looking ahead! If ever there was a school year where we are looking ahead, it is this one. We are looking forward to and hopeful that we will be back to in-person, regular instruction for the 2021-2022 school year. But that doesn't mean we are not focused on ending this school year strong! We continue to ask our parents to support their students by making sure they log on to their daily classroom instruction. But please remember, logging on is not all that is required for attendance – students must complete one assignment for each

day of the week to be considered "present" for the day.

In addition, please remember that for the safety of all within our community we ask that you do not send your students to school if they are exhibiting any of the Covid-19 symptoms.

Containing and controlling outbreaks will allow us to continue to offer our hybrid model of instruction without the disruption of 100% virtual days due to positive cases within the school. We know this year has been long and tiring – but we are almost to the finish line and need your continued support! Thank you everyone – we truly appreciate all you have done to support your students and LVDLCS!

## What has Happened so Far?

### The Book Fair & Read-a-Thon

In March we celebrated 'Read Across America Month'...Our school's passion for reading goes year round, but it definitely shines bright during the Book Fair Week. This year our Book Fair looked a little bit different but we had it again!!!  
THANK YOU!!!

### Festival de las Artes

**YOU Are INVITED!!!**  
We invite you to celebrate the importance of the arts and the beauty of the Spanish language. Our third "Festival de las Artes"  
This will be in May, 2021, we'll keep you updated!
